**ESSAYS on
JOHN MILTON and HIS WORKS**

Of this book, C. A. Robertson, past president of SAMLA and Head of the English Department at the University of Florida, writes: "The present collection of papers by South Atlantic scholars illustrates well the quickening effect of Milton's writings and characters. It provides, too, a fair cross section of contemporary Milton scholarship. . . . The selecting, editing, and publication of the papers have been carried on almost wholly within the region embraced by the SAMLA. The book is thus a happy instance of the communal nature of scholarship; but for scope and interest it is no more regional than John Milton himself."
